Power Wash of Hill Commercial Area Sidewalks Scheduled for May 2-3

The City will fund a large-scale pressure washing of the Hill Commercial Area sidewalks in advance of CU graduation on May 9th. The comprehensive power wash effort takes place twice a year, with regular sweeping of the sidewalks by Parking Services maintenance staff year-round. The high cost to wash in a way that responsibly limits pollution to the Boulder Creek reduces the frequency; however, The Hill Boulder continues to seek ways to cooperatively fund additional power washes.
